

DECIDE MODEL

DEFINE

— We are making a decision with you about X

EXPLAIN

— Can we start by talking about your health problems and situation?

CONSIDER

— Let's talk about available options / likely benefits / risks or harms

INVITE

— I would like to hear about what matters to you / your relative

DECIDE

— Let's find the right option for you

EVALUATE

— You think the best option is Y, because... Is that right?
